Message from *The Principal*

Dear Parents,

As we step into another promising year, I take immense pride in reflecting on the incredible journey of session 2024-25. This year has been a testament to our students' dedication, resilience, and passion for excellence in academics, co-curricular activities, and personal growth.

Our students have showcased outstanding achievements in academics, excelling in examinations, competitions, and research-based projects. Their curiosity and determination have been the driving forces behind their success, and I commend each of them for their hard work.

Beyond the classroom, our school has been abuzz with dynamic activities. From exhilarating sports competitions and creative arts exhibitions to thought-provoking debates and cultural celebrations, our students have proven their versatility and commitment. Their participation in inter-school, state, and national-level events has brought laurels to our institution, further reinforcing our legacy of excellence.

In the realm of co-scholastic endeavors, we have witnessed inspiring performances in music, dance, drama, and community service initiatives. Our students have not only honed their talents but also embodied values of teamwork, leadership, and empathy. Their contributions towards social causes and environmental sustainability projects are truly commendable.

These milestones would not have been possible without the relentless support of our dedicated teachers, staff, and parents, who have played a crucial role in shaping our students' journeys. I extend my heartfelt gratitude to each one of you for your unwavering commitment to holistic education.

As we move forward, let us continue striving for excellence, fostering innovation, and nurturing values that prepare our students for a bright and promising future. Together, let us make 2025 another remarkable year of learning, growth, and success.

Mrs. Reema Rajpal

OUR ALUMNI

Our accomplished alumni's success stories are a testimony that we are thinking right and working well!

CLUBS

ECO CLUB

Love for Nature enhances love for life. With this in mind, the school's Eco club works round the year to make the learners and society conscious about their responsibilities towards the planet

The Eco Club actively promoted sustainability and environmental consciousness throughout the year. On Earth Day, Biodiversity Day, Environment Day and Swachhta Pakhwaada, students carried out Plantation drives, created jackets from newspapers, crafted diyas from fallen leaves and made creative posters. **As part of the GENCAN initiative by CEE**, the club undertook various activities to reduce carbon footprints, including leaf composting, electricity saving, carpooling, bicycling, and water conservation. Members also showcased innovative recycling by creating and selling keychains from waste fabric at PTMs.

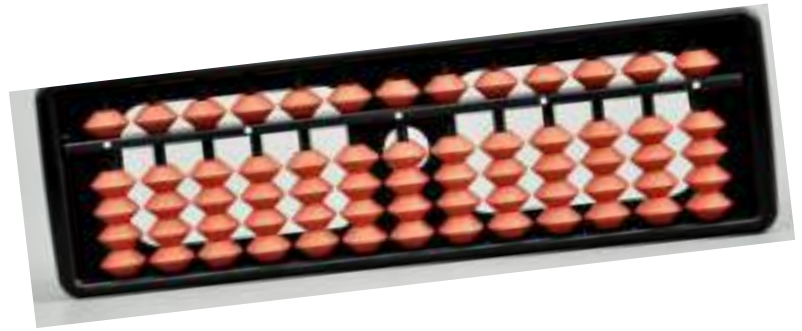

Through these events, we continue to shape compassionate, environmentally conscious, & socially responsible individuals.

SCHOOL INTERNSHIP PROGRAM

Internships in school are something rare! Every year we arrange internships for our students to connect school education to real life professions. Connecting school education to real life profession, this internship was a 4-week long intense training program from Scholastic in which a team of 10 students of class 11 received online training and guidance from Industry experts to plan and organise Book Fairs.

At the end of the program, they organised Readopolis, their own unique book fair

The young interns managed it all by themselves and learnt crucial marketing as well as life skills as they invited parents and children to browse through books enticing them to buy.

MODEL UNITED NATION

Platform to debate on national affairs & diplomacy

The event brought together young minds from classes 10th, 11th, and 12th, providing them with an exceptional platform to delve into pressing national affairs & diplomacy.

CREATIVE & AESTHETIC ARTS

Leadership is the capacity to translate vision into reality and to inculcate this value of leadership among the students, DL DAV MODEL SCHOOL SHALIMAR BAGH, organised its investiture ceremony for both the primary wing and the senior wing for the session 2023-24 on 8th May. In the oath taking ceremony, Principal Ms. REENA RAJPAL administered the oath and sensitized the council members about their duties and how critical it was that they take the mantle of responsibility with sincerity and earnestness.

The members of School Council which consisted of Student council and the House Council were carefully selected on the basis of their capabilities, achievements and skills. The students wore their sashes and badges with pride and promised to discharge their duties to the best of their capacities.

A SHOWCASE OF TALENT

COMMUNITY OUTREACH PROGRAM

CRUSADERS The Kindness Crew

Sensitivity towards fellow human beings is a value that the learners are brought up on. An active Community Outreach program that runs right from Nursery to class XII, ensures that the learners become compassionate human beings.

The middle and senior wing donated winter clothes and food grains under the project 'Sharing Warmth' and 'Anna Daan- Mahadan' in association with GOONJ and MCKS

COMMUNITY OUTREACH PROGRAM

Students of Classes Pre - school to XI donated old books and School Uniforms. The collected items were offered to needy students of the school and also given to the NGOs working for the underprivileged.

Blood Donation Drive and Free Health Check-up camp in association with BLK & MAX hospitals for staff & parents.

*We also conducted a *Cervical Cancer Awareness* program*

The Community Outreach club organized a visit to Amrit Udyan for Children with Special Needs. The students were mesmerized by the beauty of the place. They also visited the Rashtrapati Bhavan museum where they witnessed a documentary on MK Gandhi..

They were thrilled to have a virtual walk with Gandhi ji, The various artefacts and precious gifts on display from world over also thrilled the children.

COMMUNITY OUTREACH PROGRAM

Our students are continuously involved in civic engagement and community welfare initiatives, embracing values of responsibility and giving back.

Visit to
Saksham NGO

*Our senior students visited an old age home and primary students attended an animal welfare workshop with PETA India. They also contributed to causes like *PALNA* NGO and *Saksham Swayamsevi Sanstha*.*

Donated dry food items and stationery to the children of an NGO named - Connecting Lives under the campaign 'ME to WE'- An initiative by students of Classes IX & X.

“Making the children compassionate and kind human beings is a huge part of this campaign and we believe that this initiative will go a long way in making the world a better place!”

It's important to inculcate the values of gratitude by sharing what we have, with those who do not have. It helps the needy as well as sensitizes the students towards the values of 'Sharing and Caring'.

SPORTS

Sports have always been an integral part of our curriculum. It is our endeavor to make the learners proficient in at least two sports per year. Special sports periods for skating, volleyball, chess, taekwondo and Table tennis have been embedded in the Time Table for the same. We also have special sports activities like Lawn tennis, badminton, cricket and football in the zero periods.

Our students have performed brilliantly in varied sports in both CBSE and DAV Nationals recognized by SGFI. 16 students won laurels in DAV Nationals and 26 were selected to play.

Achievements in these two games at national level speak of the extraordinary sporting ability of our students.

SPORTS

OUR INTERNATIONAL PLAYER IN ROLLER SKATING

MEMORABLE EVENTS

This year we celebrated many memorable events that highlighted our students' creativity, commitment to learning, and social responsibility.

PITCH PERFECT THE CRICKET CONNECT

We joined hands with **Helpmekaar Kollege, South Africa** and organized PITCH PERFECT -The Cricket Connect on December 9, 2024. The day began with a beautiful welcoming ceremony in which the student cricket teams from South Africa comprising 23 players and a group of 5 teachers were accorded the traditional Indian welcome.

The event emphasized the need for peace and harmony in the society and how sports can play a big role in uniting people across borders. The host and guest teams played two exciting T-20 matches against each other amidst great bonhomie.

TECH FEST HASH

A unique event that celebrated tech expertise of young Indian citizens. A series of very special inter- school competitions were designed by our talented students and teachers. These contests provided an exciting opportunity to learners of classes 3-12 to test and showcase their technological prowess and critical & creative thinking skills.

Celebrating tech expertise
of young Indian citizens

Celebrating inquisitiveness of young minds

The event was inaugurated by **Hon'ble, Mr. Himanshu Gupta, Director of Education, Govt. of NCT Delhi**. It was also graced by the presence of **Sh. Ajay Suri ji, Chairman of the school, General Secretary, DAVCMC, Dr. Balesh, Deputy Director of Education, zone 10 and Ms. Sneh Verma, Manager of the school**. Principals and teachers from various schools of Delhi and parents of the school also attended the event.

It was experiential learning at its best and showcased the concepts of **Multidisciplinary learning and Art integration** as envisioned in NEP 2020 and NCF. The event also showcased the themes of G20.

The event received huge praise from **Mr. Himanshu Gupta, Director of Education, Govt. of NCT Delhi and other dignitaries present on the occasion**. They especially appreciated the projects made on innovations for social good. **“DLDAV has done wonderful work. I could see a lot of sustainable solutions in the environment, climate change and even everyday problems. Students in the school are learning through various aspects of NEP and showed the waste being used creatively”**, he said.

The **Science Arena** highlighted the concept of **Panchkosha vikas and the benefits of including Millets in diet** through beautiful ballet performances. The innovative and problem solving skills of learners were evident in the projects and models presented confidently by them like the **SMART bridge, Upcycling plastic waste, urban Miyawaki forest and transforming urban waste into electricity**.

The realm of **Mathematics** presented the mesmerizing **amalgamation of Art with Mathematics**.

The **Technology** sphere focused on **four core areas -advancements in technology like chat GPT vs. Google Bard, Upcycling e-waste and cyber safety**.

The **Engineering arena** showcased in **Atal Tinkering Laboratory** highlighted innovations for social welfare. Saving Environment through Tinkering, Systematic car parking, Smog tower, Lpg Leakage, Alcohol detection and Vehicle controlling were some interesting projects presented handsomely by the students.

The **creative and performing arts** were merged beautifully with the subjects through **Nukkad natak, dances, ballets and song presentations**. The creative ART work on the **theme of Best out of Waste** like the tyre furniture, plastic can planters impressed the guests.

MENTAL WELLNESS

Our Mental Health Department hosted events like “***Game On: Bonding Through Play***” and a drawing competition with ***Lotpot Comics*** to promote emotional well-being. Various organizations like Fortis, Gangaram, Max, Lotpot magazine and others were involved in execution of events to promote mental health and wellbeing.

Individual Counselling, Screening, special education sessions, Therapeutic work all went hand in hand throughout the year.

SCHOOL ENTERPRISE CHALLENGE

The students participated in the School Enterprise Challenge Program- **SRIJAN** round the year which honed their marketing and entrepreneurial skills.

A multi skill training program also fostered creativity, independence, and marketing skills of children with special needs.

Looking forward to the new session
